

Here is an easy fingerstyle arrangement of Silent Night.

The melody is played mostly on the first string. With the exception of the last 3 measures the melody notes will be plucked by alternating your index and middle fingers.

This is indicated by the letters "i" and "m". The ring finger will be towards the end of the song. This is indicated by the letter "a". The open string bass notes are to be struck with the thumb. This is shown by the letter "p".

The numbers next to the notes are the suggested fret hand fingering.

1 is index finger. 2 is middle finger. 3 is ring finger. 4 is your pinky.
